Day 9-10. Hunting with a falconer and its golden eagle

Sagsai 📍

- We go with our host for 2 days Hunting with eagles. On horseback, we follow the falconer in the neighbouring mountains. Once upright, **the falconer removes the mask from its eagle and the eagle scans the horizon with its sharp eyes...** If it can see a prey (rabbit, fox, wolf), it lets out a small cry to tell its master it saw something ; so the latter releases the animal that goes swooping on its prey.

For this ancestral hunting technique, patience is queen, because the animal does not catch game each time, but seeing this proud animal united with man in this hundreds of years-old practice is indisputably **the key moment of any travel in Central Asia**.
